

DJ Hazard 58 — Press One■Sheet

Futuristic EDM • Cyberpunk Trance • Glitchcore • Cinematic Bass

DJ Hazard 58 (Harrison Freed) is a Miami-based producer and DJ building a raw, future-leaning sound that fuses cyberpunk trance, glitchcore textures, and bass-heavy cinematic drops. Made for the rebels of the rave, his tracks favor emotion, grit, and narrative world-building over formula. Independent, artist-first, and visually driven, Hazard 58 is pushing EDM into brighter and stranger territories.

Contact	1065 SW 8th St, Ste 2020, Miami, FL 33130 Tel: 786-835-5242

Highlights

- Core sound: cyberpunk trance + glitchcore + industrial-cinematic bass.
- Concept arcs & visuals: Lucid Voltage • Static Frequencies • The Lost AI.
- Independent label: Harmony Fusion Records — artist-first releases and visuals.
- Growing engagement on YouTube; building narrative playlists to frame releases.

Focus Tracks / Recent Releases

- Sheila — neon-bright synth leads and euphoric drop; melodic but sharp-edged.
- Hurricane Hotel — cinematic build into distorted bass ruptures; glitch accents.
- Jason the Grifter — darker, mid-tempo swing with cyberpunk textures.

Positioning / For Fans Of (RIYL)

Cyberpunk EDM, Darkwave, Synthwave, Dubstep, Techno, Trance — for listeners who want narrative, texture, and heavy-cinematic momentum.

Visual Language

Glitch/cyber aesthetic with daytime contrasts; bold neon accents; character-driven art direction. Integration with Lights, Camera, Imagination Productions for filmic assets and immersive content.
